Should a defect occur in spite of that, KÄRCHER products will be repaired free of charge within the warranty period. To repair your Kärcher device, you need spare parts, of course. But how to find and order the needed spare parts? By using the short spare parts lists of your Kärcher machine you can find the order numbers of the most common accessories and spare parts. Short spare parts lists are included in the manual of your Kärcher. The list contains pieces that may be replaced without large effort or tools. Here you can find the short spare parts list of your device: click here. Dort können Sie in mehreren Stufen aus einer Liste der Geräte durch Angabe der Modellbezeichnung Ihr Gerät auswählen und die sogenannte Kurz-Ersatzteilliste öffnen. Anschließend notieren Sie sich die Kärcher Ersatzteilnummer und bestellen komfortabel und bequem hier bei uns im Onlineshop. Use our free spare part consulting provided by our experts and technicians, which passed various Kärcher trainings and educations. Just fill our special Kärcher spare parts form and describe which parts you need. Make spare parts inquiry To repair your Kärcher cleaning unit with original Kaercher spare parts, we offer you our repair service: either simply bring your appliance to our stores in Bielefeld and Harsewinkel or you can send it to us.
